About This Content

The Unlock Assets Pack – does exactly what it says on the tin, perfect for the gamer who's pressed for time! In the tour alone there are no less than 100 decals, 12 stunning locations, 16 handcrafted cues and 12 Ball sets. Want to bypass the unlocks and be handed all of these, then download the Unlock Assets Pack! Giving you the fun of the game, but with the unlock-able assets collected during the tour, unlocked for your gaming pleasure! Including locations, characters, decals and cues

[CAUTION: Achievement hunters - this does not unlock the tour, so If you've unlocked some of it already, you will only be able to unlock the items which you are yet to unlock.]

These things should have been in the main game.
But they decided to put them in a paid dlc instead.
I don't recommend buying these. It's not worth it.
This game has seven dlc's and all of them are bad.
I wanted to support the developer, so I bought it.
But I can't give those dlc's a positive review. Nope.
Buy them only if you want to support the developer.
